

Castle Pines North METROPOLITAN DISTRICT

Happy Holidays!

As you and your family enjoy the holiday season, please know that we will continue working to complete Phase 2 of the InterConnect Pipeline Project. This 4-mile, 24-inch renewable water pipeline is a vital step toward weaning our community from its exclusive reliance on the Denver Basin Aquifer System. Thank you for your patience during this \$6.3 million construction project, which we anticipate concluding in 2013.
