

M *Castle Pines North* METROPOLITAN DISTRICT

Providing the people, families, neighborhoods and small businesses of Castle Pines with clean, safe, reliable drinking water, renewable water, wastewater, storm water, parks and open space services in the most fiscally responsible manner, while serving as stewards of the community's water-related assets and Standard & Poor's AA and Moody's A1 bond ratings.

WELCOME ROSENKRANS, ALLEN & DODD!

The community voted last month to give Kathy Rosenkrans top honors as its newest Metropolitan District Director. Rosenkrans is a former IT professional, a full-time mother of two and a 23-year Castle Pines resident. Kathy and her husband, Don, live and raise their children in the Knights Bridge neighborhood.

"I listened intently and tried hard to precisely communicate what I believe are responsible priorities, values and a vision for the future of our Metro District. That's relevant, because few things are more disappointing than people who say one thing to get elected and do something different once they arrive," said Rosenkrans. "Our community clearly signaled its preferred direction for the Metro District. I believe each Director is aware that the community will hold us individually and collectively accountable for accomplishing the objectives we

prioritized. These objectives include: securing renewable water, completing the infrastructure necessary to deliver that renewable water to our community, and continuing the Metropolitan District's rapid debt-reduction efforts."

The community also voted last month to retain Metropolitan District Directors Keith Dodd and Stephen Allen, both of whom the Metropolitan District Board previously appointed to fill vacancies.

The Metropolitan District will honor retiring Director Bill Santos for his outstanding service in the July 2012 edition of the Castle Pines Connection.

Official 2012 Election Results

Kathy Rosenkrans	859 votes
Stephen Allen	800 votes
Keith Dodd	797 votes
Dick Lichtenheld	637 votes
Rex A. Lucas	588 votes
Kevin Bruer	575 votes

First Annual Xeric Workshop

Special thanks to Certified Master Gardener and Forest Park neighborhood resident, Harriette Einolf, for leading our first annual Xeric Workshop on Saturday, May 12. *"The Metro District and I were pleasantly surprised at the level of interest in xeric, water wise and native plants," said Einolf. "We prepared for 25 people, and when nearly 50 showed up to participate, it became clear that we had tapped into a something of a passion for many in our community. I hope our Metro District will host more of these, and that I can help to provide the information people need to grow beautiful, water-wise gardens."*
