Interim District Manager Jim Worley Named Finalist

Reaffirming its commitment to pursue renewable water more wisely, the Castle Pines North Metro District Board of Directors named its interim district manager, Jim Worley, as a finalist for the full-time, in-house, district manager position.

In doing so, directors cited Mr. Worley's strong depth and diversity of Castle Pines-specific knowledge and experience as well as his work to build relationships with each member of the board and staff.
