

Notice of Public Hearing: Zoom In To Participate!

Consistent with COVID-19 pandemic restrictions, guidance and direction from the Colorado Department of Public Health & Environment (CDPHE) and Tri-County Health, until further notice, if you intend to participate in our monthly board meetings, including our December 14, 2020 meeting, then please follow the steps outlined below to **Zoom** in.

Our next board meeting is scheduled for 6:00 p.m., **Monday, December 14, 2020**, during which we will host a public hearing about, and consider, a 2.85% cost-of-service increase in CPNMD's water and wastewater services for 2021 — the lowest annual adjustment proposed in many years (see page 4 of this month's *The Castle Pines Connection*).

As always, please continue reaching out to us with questions, concerns, and insights by clicking the **E-MAIL US @** icon in the upper right of our website homepage at cpnmd.org and/or by contacting us via our respective cell numbers and email addresses on the lower back of this page. **We make every effort to respond within 24 hours.** Please also continue viewing CPNMD board meetings, via live-video stream, from our website homepage at cpnmd.org and/or via our video archives at cpnmd.org/board-meetings.
