

Pickleball Court Groundbreaking

Tuesday Morning after Labor Day Weekend!

Join Us!

Date: Tuesday, September 6, 2022

Time: 8:00 a.m.

Location: Coyote Ridge Park, Castle Pines, CO 80108

Pickleball giveaway. Bring pickleball paddles for photo shoot.

Due to construction fencing, the upper parking lot in Coyote Ridge Park is inaccessible to vehicles. Consequently, please park in the park's lower lot and wear comfortable walking shoes to 'hike' a half-block up the incline from the lower parking lot to the upper parking lot near the existing skatepark facility.

NOTE: Because the skatepark facility in Coyote Ridge Park is dilapidated, something of an eyesore, and has reached the end of its useful life — and because we require the land on which the skatepark sits for the new pickleball courts — we will demolish the existing skatepark facility. ***However, skatepark lovers, please don't be alarmed!*** Our staff/consultant team is actively coordinating with Coyote Ridge Park improvement designer Carol Henry of Design Concepts to identify a more visible, safer alternative location for new skatepark amenities.

Again, we are on a mission to identify at least one, if not two, possible skatepark locations from which to choose. You will hear more about this shortly.

If all goes perfectly regarding the construction (which we know rarely does), we hope to open the pickleball courts this winter. Under the worst-case scenario, depending on the weather and construction-related variables, we may open the pickleball courts in early spring.

We thank our pickleball and skatepark enthusiasts for their continued patience as we work to deliver both community amenities as soon as practicable.

See the Coyote Ridge Park Improvement Plan [here](#).
